承保範圍

Notwithstanding any provision to the contrary within this insurance/reinsurance (delete as applicable), or any endorsement thereto, it is agreed that this insurance/reinsurance (delete as applicable), is extended to include any bodily injury directly or indirectly caused by, resulting from, or in connection with any of the following;

1. Murder or Assault subsequently proved beyond reasonable doubt to have been the act of agents of a state foreign to the nationality of the insured person whether war be declared with that state or not,
2. Terrorist activity,

always provided that the Insured/Reinsured(delete as applicable) person(s) are not actively participating in any, or all, of (1) to (2) above, and further provided that neither (1) nor (2) above are the result of the utilisation of Nuclear, Chemical or Biological weapons of mass destruction howsoever these may be distributed or combined.

For the purpose of this extension;

- i) Terrorist activity means an act, or acts, of any person, or group(s) of persons, committed for political, religious, ideological or similar purposes with the intention to influence any government and/or to put the public, or any section of the public, in fear. Terrorist activity can include, but not be limited to, the actual use of force or violence and/or the threat of such use. Furthermore, the perpetrators of terrorist activity can either be acting alone, or on behalf of, or in connection with any organisation(s) or
- ii) Utilisation of Nuclear weapons of mass destruction means the use of any explosive nuclear weapon or device or the emission, discharge, dispersal, release or escape of fissile material emitting a level of radioactivity capable of causing incapacitating disablement or death amongst people or
- iii) Utilisation of Chemical weapons of mass destruction means the emission, discharge, dispersal, release or escape of any solid, liquid or gaseous chemical compound which, when suitably distributed, is capable of causing incapacitating disablement or death amongst people or animals.
- iv) Utilisation of Biological weapons of mass destruction means the emission, discharge, dispersal, release or escape of any pathogenic (disease producing) micro-organism(s) and/or biologically produced toxin(s) (including genetically modified organisms and chemically synthesised toxins) which are capable of causing incapacitating disablement or death amongst people or animals.

Notwithstanding the foregoing Underwriters reserve the right to give the Assured/Reassured(delete as applicable) not less than 168 hours notice of cancellation in respect of the inclusion of any, or all, of the perils listed from (1) to (2) above. Such notice shall be deemed to have been received by the Assured/Reassured(delete as applicable) at the time and date that it is received by the intermediary through whom this policy was most directly negotiated with Underwriters.
