承保範圍

This Insurance does not cover any disability, imposition or loss of licence due to:

(a) Cardiovascular disease or malfunction.

or

(b) Cardiovascular disease or malfunction or other disease whose presence is suspected by an abnormality in an Electrocardiograph.

All other Terms, Exclusions, Limitations and Conditions of the Policy remain unaltered.

In the event of the Person Insured taking an electrocardiograph examination subsequent to completion of the Proposal Form the Company will consider the deletion of this endorsement upon receipt of a statement signed by the Person Insured giving:

(1) The date of the examination.

(2) Confirmation that the Electrocardiogram has been approved by the Licence Issuing Authority.

(3) Details of any abnormality in or revealed by the examination and advised to the Person Insured.

(4) Details of additional tests or reference to Specialists in consequence of the examination.

(5) Confirmation that the next examination is to be held after the normal interval in time.

Note: Each item must be listed even if there is a Nil answer.
